GRACY 51571.XXX FAMILY OF LED-LIGHT PANELS

The regulation on the registration, evaluation, authorization and restriction of chemicals (REACH) is the main EU law to protect human health and the environment from the risks that can be posed by chemicals. This is done by better and earlier identification of the intrinsic properties of chemical substances and by taking measures, such as phasing out or restricting substances of very high concern.

LED iBond hereby certifies that all TRACY 51571.xx products delivered to customers meet REACH Regulation (EC) No. 1907/2006 of the European Parliament and the Council of 18 December 2006, and restriction of REACH Article 67, where hazardous substances published on REACH Annex XVII on August 01 2024.

Current products in the product family TRACY 51571.xx see Annex 1.
